Town of Catskill Board

439 Main St
Catskill, NY 12414

Dear Town of Catskill Board,

I would like to formally request on behalf of the Saugerties Babe Ruth baseball league permission to use Ricky Kramer for practices and games from May first through August 31st of 2024.

Jeff Dodig and I have created a team that is playing in the Saugerties Babe Ruth league made up of 16 players. Thirteen of the players are in the Catskill School district and the other three are from the Greene County area. We created the team to support players who both wanted to get more experience and provide an opportunity for those players who did not make the school team to play baseball. We are excited to work with our children and provide them with a great experience and an opportunity to play. Unlike many competitive travel teams, Saugerties Babe Ruth welcomes all players no matter their skill level.

We are requesting permission to use the field mainly for practices and a few games. We are willing to work around the existing Catskill varsity, JV and modified baseball team schedules and work with the American Legion team to make sure there are no conflicts. We are willing to set up the field, rake the field when done and replace mound and Homeplate covers as needed. We are also willing to help with field clean up days.

We will supply the Town with the required insurance waivers.

Thank you for considering this request and please reach out with any questions you might have.

Sincerely,

Adam Davies – on behalf of Saugerties Babe Ruth League
