Catskill, NY 12414

Gentlefolk:

Palenville The Hamlet, Inc, a registered 501(c)(3) community organization, hereby requests a grant from the Town of Catskill in the amount of \$2500, to fund a free concert that will initiate a summer-long series of "Music in the Mountains" performances in the concert yard of Griffin House overlooking Kaaterskill Creek in Palenville.

In the past, the Village of Catskill's "Music in the Park" concerts have demonstrated that cultural amenities aren't simply enjoyable, but can also spur increased tourism and economic growth. Last summer, Griffin House hosted a similar summer concert that drew hundreds of music lovers to its beautiful grounds in Palenville and we anticipate that an ongoing series of events will generate even more interest and economic growth for both our hamlet and the Town of Catskill.

The free concert is scheduled for June 1, 2024, and will feature Tors, an exciting three-man band from Devon, UK, who will be coming off a 28-date arena tour of continental Europe and will feature new music recorded in Woodstock and produced by Palenville native Simone Felice.

We look forward to your support and invite you to join us for this exciting event.

Sincerely,

Bill Burkholder
