Supervisor Finch opened the meeting with the Pledge of Allegiance.

CONTINUATION OF PUBLIC HEARING – Petition to extend the Leeds Jefferson Heights Water and Sewer Districts to 27 Brooks Lane.

Supervisor Finch stated we are in the process of gathering information, looking at the volume and pressure and impact on the current residents of that area. He asked if anyone had any comment.

Mr. Izzo asked if the Planning Board approved the project. Supervisor Finch stated yes with consideration of expanding the water and sewer districts for that parcel. Mr. Izzo asked several questions regarding the project and water usage studies from the applicant's initial application before the Planning Board to the public hearing for the expansion of the district from the applicant's engineering firm and estimated water usage. Supervisor Finch stated the estimated usage from Kaaterskill Engineering is 110 gallon per bedroom per day and this is why the town is having a water usage study done by Delaware Engineering for concrete data before deciding on the petition. Mr. Vipler has other proposals for the property and we need to take into consideration future development.

Mr. Izzo asked if the applicant is being penalized because the project could have been built in the water/sewer district but the project is outside the district and a study needs to be done. Supervisor Finch stated the board is not penalizing but attempting to protect the fifty users already there. The west side is in the district and he could have moved forward with the project there. Mr. Izzo asked the cost of the study to the town. Supervisor Finch stated Mr. Vipler will be paying for it and we are in conversation with Delaware Engineering about the scope of the work.

Mr. Izzo asked if a new water line will be installed. Councilman McCulloch stated the VOC was approached seven years ago. He was going to put it in, not the village.

Supervisor Finch stated the town needs to get back to Mr. Vipler regarding the amount needed for escrow for the studies. Mr. Izzo asked what happens if there is no study before the project ends. Supervisor Finch stated he doesn't see a path forward with the project if he doesn't pay for the studies.

With no further comment a motion to hold the public hearing open was made by Councilman Giordiano second by Councilwoman Scannapieco.

The regular meeting reconvened.

Notice of Greene County awarding propane bid to Nolan Bottle Gas Company, Ravena, NY.

CONTINUING BUSINESS:

Signage Town Hall – *Supervisor Finch sent a mock-up of the signage. The project is through the Upstate contract.*

CPU Replacement – *Supervisor Finch stated we will discuss this further at the next meeting. Five units will be replaced. Some are out of warranty.*

Tour the Catskills Cycling Race – *The Board agreed to have them use the parking area in Palenville as a first aid station.*

VOC Fire Contract – *Supervisor Finch sent an email requesting financials from the Village before discussions will ensue.*

CHPE RUA – *Supervisor Finch stated the Town Attorney still needs to review. Will discuss at the next meeting.*

BAR Member Reappointment – *Matt Goodell has sent a request to be reappointed to the BAR. Will discuss at our workshop meeting.*

Cementon Sewer District – *Supervisor Finch stated Councilman McCulloch requested information on*

improving the collection system for the sewer district. Delaware Engineering recommended we apply for an EPG grant. Their total cost is \$18,000 which includes all the grant administration etc. and the steps after successful award of the grant. The total grant request is \$50,000 and the town's match will be \$5,000. The application is due in ten days. Resolution # 71-2023 on motion of Councilman Giordiano second by Councilman Vosburgh authorizing Delaware Engineering proceed with an application for an Engineering Planning Grant through the Consolidated Funding Application. Adopted Vote: 5 Yes

Ambulance Building – Supervisor Finch stated the security camera system at the building needs to be replaced. Councilman Giordiano stated to go out for RFP's.

Supervisor Finch polled the board. Councilman McCulloch stated the Summer Recreation Program is at the church now. Pastor Snowden is very happy they are there. We received a donation of \$2,500 from Mid-Hudson Cablevision.

Fuel System – Councilman Vosburgh mentioned the new system the county is installing and we will need to set aside money to update. It will be updated as soon as the county receives the estimates. The town expense will be around \$10,000.

PUBLIC COMMENT:

Mr. Izzo wanted to thank the board for approving the two extra days the landfill was open after the storm. It was a great benefit to the town to have it open. He wishes it could be open seven days but knows there is no manpower.

He then asked about the state law regarding even year elections and Town and Village Justices and if the board has contacted the Association of Towns and both the Senate and State Assembly in opposition of both bills. If the town had to hire two attorneys as judges, the town could not afford to. The election issue is a home rule law issue and the AOT can fight that challenge on constitutional grounds.

Supervisor Finch stated these are really against towns as the county and village are excluded from even year elections and each bill affects town government and the issues are being overlooked.

With no further business a motion to adjourn the meeting was made by Councilman Giordiano second by Councilman Vosburgh. Meeting ended 7:17 pm.

Respectfully submitted,

Elizabeth Izzo

Town Board Committee Meeting
Catskill Town Hall
August 16, 2023 6:30 PM

PRESENT: Dale Finch, Supervisor
Jared Giordiano, Councilman
Patrick McCulloch, Councilman
Dawn Scannapieco, Councilwoman

Supervisor Finch opened the meeting with the Pledge of Allegiance. The continuation of the public hearing for the Leeds Jefferson Heights Water and Sewer District began. Mr. Vipler addressed the board and gave a review and hand out of the project. He would like to have a foundation in the ground this year or believes the project may not happen.

Supervisor Finch stated we need more data on the water flow rate and supply to make sure the district can handle an extension. Councilman Giordiano stated the water district expansion is the issue. Mr. Vipler stated the town should have been upfront of the requirement for a water study. Supervisor Finch stated without the data the board cannot decide. Councilman McCulloch discussed the details of a flow study and that a new water line would need to be approved by the DOH.

After further discussion, Mr. Vipler submitted a check to the Town Clerk for Delaware Engineering to do a flow test who will present the results to the board. Supervisor Finch stated after we have the results the board can decide. Mr. Vipler asked when that may be. Councilman McCulloch stated by the next meeting, September 5th.

Councilman Giordiano made a motion to hold the public hearing open with Councilwoman Scannapieco seconding. Vote 4 Yes 1 Absent (Vosburgh)

The regular meeting convened.

Supervisor Finch reviewed correspondence:

Email from Alpha Win Triathlon Race to be held September 17th and traversing a section of High Falls Rd. *Resolution # 73-2023 on motion of Councilman Giordiano second by Councilman McCulloch allowing use of a town road for the Alph Win Triathlon Race. Adopted Vote: 4 Yes 1 Absent (Vosburgh)*

Letter from ZBA Clerk Patricia Case-Keel stating Gary Harvey has been selected as Chair of the ZBA for 2023 and Lee Heim as Vice Chair.

Resolution # 75-2023 on motion of Councilman Giordiano second by Councilwoman Scannapieco approving Gary Harvey as Chair of the ZBA. Adopted Vote: 4 Yes 1 Absent (Vosburgh)

Resolution # 76-2023 on motion of Councilman McCulloch second by Councilman Giordiano approving Lee Heim as Vice Chair of the ZBA. Adopted Vote: 4 Yes 1 Absent (Vosburgh)

SUPERVISOR COMMENTS:

Supervisor Finch stated DEC completed the Catskill Creek flood study. There will be a webinar to review it as it is a huge document. Penn Avenue has been identified near Drummond Falls. This may help with the next round of Bridge NY grant funding.

Highway – will need to review the replacement of the heaters. Will contact the vendor who did the senior center.

Ambulance – will need to follow up with Webjogger. Councilman Giordiano stated the landscaping needs to be addressed at the building. Supervisor Finch stated we need low maintenance plants/basic landscaping. Councilman McCulloch suggested reaching out to Cultivate Catskill to see if they could help. Councilwoman Scannapieco stated a mini cherry tree would look nice in front of the ambulance building.

Town Hall – in contact with the company. We will need to skim coat the driveway but not until the railing is installed. Review of signage for in front of Town Hall. Councilman McCulloch stated he needed to look at it. Supervisor Finch stated it is brushed aluminum, 3D, and the color needs to be decided.

COUNCILMAN COMMENTS:

Councilman McCulloch stated the engineering grant for Cementon Sewer was submitted. He is working on two infrastructure grants for Leeds and Jefferson Heights.

Shawn Beers is renting a roller. He has \$35,000 in his equipment line and is interested in possibly buying the one he is renting. It is \$37,000. Supervisor Finch stated we need to look at his line and he will review with Kirsten. Councilman Giordiano stated we need an accurate inventory of equipment for highway and cemetery.

Councilman Giordiano stated we need to have some stuff done at the Ricky Cramer Field; conversation with the school about the scoreboard, and if the board should keep the snack stand and if so, quotes to repair it. Supervisor Finch stated if there is an interest, we will look for volunteers to run it.

With no further discussion a motion to adjourn the meeting was made by Councilman Giordiano second by Councilman McCulloch. Meeting ended 7:31 pm.

Respectfully submitted,

Elizabeth Izzo
Town Clerk

Notice of the Start of Construction for Segment 11 of the Champlain Hudson Power Express Project

Dear Stakeholder,

On or about August 31, 2023, the Champlain Hudson Power Express Project (“CHPE”) intends to begin site preparation and construction on Segment 11 of the proposed Champlain Hudson Power Express (“CHPE”) Project. Segment 11 of the CHPE Project includes installation of approximately 8.6 miles of buried overland cable running from the Town of Catskill through the Village of Catskill (Greene County) primarily along railroad rights-of-way. The initial construction work will involve preparation of the site, followed by installation of the cable and associated work. Where possible, construction near residences and sensitive receptors will generally occur during daylight hours, though some limited activities would extend to later hours as needed.

On April 18, 2013, the NYS Public Service Commission (Commission) issued to CHPE a certificate of environmental compatibility and public need (Certificate), pursuant to Article VII of the Public Service Law (PSL), to construct and operate the CHPE Project. Upon receipt of a Notice to Proceed with Construction letter sent by the New York State Department of Public Service’s Office of Electric, Gas and Water, CHPE will be authorized to commence construction activities for these Segments.

Facility construction falls under the jurisdiction of the Commission, which is responsible for enforcing compliance with environmental and construction conditions, and which may be contacted through Matthew Smith, Office of Electric, Gas and Water, New York State Department of Public Service, Three Empire State Plaza, Albany, NY 12223, via telephone at (518)474-8702 or email at matthew.smith@dps.ny.gov.

Contact Information and Document Repositories

CHPE has established a toll-free number for questions regarding the Project: 1-800-991-CHPE (2473). Questions or requests for further information can be directed to publicoutreach@chpexpress.com or by mail to Molly Hollister, WSP USA, One Pennsylvania Plaza, New York, New York 10119.

Details of the planned work locations, including construction drawings showing in detail the Segment, are available on the Project website at: <https://chpexpress.com/overview-of-public-documents/environmental-management-construction-plan/>.

The full Commission docket for the Project can be accessed via the Commission’s website at: <http://documents.dps.ny.gov/public/MatterManagement/CaseMaster.aspx?MatterCaseNo=10-T-0139>.

Notice of Submission of Hudson River Pre-Lay Mattressing EM&CP For the Champlain Hudson Power Express Project

Dear Stakeholder,

On August 4, 2023, CHPE LLC and CHPE Properties, Inc. (collectively referred to as “CHPE”) submitted an Environmental Management & Construction Plan (“EM&CP”) for the Hudson River Pre-Lay Mattressing Segment of the proposed Champlain Hudson Power Express (“CHPE”) Project. This EM&CP includes installation of concrete articulated mattresses on the bed of the river to protect co-located submarine infrastructure (such as buried telecommunications, electrical or gas lines currently installed on or beneath the bed of the Hudson River) in preparation for future submarine cable installation. A second EM&CP Segment will be submitted later in 2023 which will detail the procedures to be implemented during installation of the submarine cable in the Hudson River.

The New York State Public Service Commission (“PSC”) issued a Certificate of Environmental Compatibility and Public Need (“Certificate”) to CHPE on April 18, 2013 to construct and operate the CHPE Project. Pursuant to that Certificate, CHPE is required to circulate notices to certain landowners, utility owners, municipalities and agencies near the proposed Segment locations indicating that the EM&CPs will be filed and providing links and contact information which stakeholders can use to obtain further information or to submit comments.

The EM&CP provides detailed information regarding how this Segment of the Project will be constructed, the specific locations of the proposed mattress installations, Construction Zones, and temporary work areas, as well as descriptions of work to be performed, plan and profile drawings depicting the Project, and protocols to be used during construction to protect the community and the environment, and to comply with the CHPE Certificate. The EM&CP must be reviewed and approved by the PSC before construction on this Segment can begin.

A general overview map of the proposed mattressing locations accompanies this notice. Further details of the planned work locations will be made available on the Project website at: <https://chpexpress.com/overview-of-public-documents/environmental-management-construction-plan/>. In general, construction activities for this Segment are anticipated to commence in fall 2023. Where possible, construction will generally occur during daylight hours, though some limited activities may extend to later hours as needed.

Contact Information and Document Repositories

CHPE has established a toll-free number for questions regarding the Project: 1-800-991-CHPE (2473). Questions or requests for further information can be directed to publicoutreach@chpexpress.com or by mail to Molly Hollister, WSP USA, One Pennsylvania Plaza, New York, New York 10119.

Paper copies of this EM&CP will be available for viewing at the following local document repositories: Kingston Library, 55 Franklin Street, Kingston, NY 12401; Adriaance Memorial Library 93 Market Street, Poughkeepsie, NY 12601; Cornwall Public Library 395 Hudson Street, Cornwall, NY 12518; Greenburgh Public Library, 300 Tarrytown Road, Elmsford, NY 10523; and Tomkins Cove Public Library, 419 Liberty Drive North, Tomkins Cove, NY 10986.

Filing Comments

Any person wishing to be heard by the Commission on any matter related to the proposed EM&CPs may file written comments with the Commission Secretary by email at secretary@dps.ny.gov or by mail to Michelle Phillips, Secretary, NYS Public Service Commission, 3 Empire State Plaza, Albany, NY, 12223, within 30 days. All comments should reference Case Number 10-T-0139.

Re: Budgeting and Planning For Grants
Town of Catskill, New York

Dear Supervisor Finch:

Now that we have passed the Consolidated Funding Application and Water Infrastructure Improvement (WIIA) deadlines, it is the perfect time to begin preparing for 2024 grants. Already? Yes, the time to get started is now.

As you begin developing your municipal budget and planning for 2024, it is important to consider budgeting for both grant preparation and the development of supporting documents necessary to secure funding. To be an ideal funding candidate, the Town of Catskill will need to successfully interweave planning, design, funding, and implementation.

Laberge Group can help! Communities throughout New York State have trusted our team to help them address the challenges of funding vital municipal projects. By deploying the strategies described in the articles and presentations showcased on the following page, **we have secured more than \$380 Million in funding since 2000. We'd like to deploy the same successful strategies for the Town of Catskill in 2024.**

If you would like to schedule an informal, no-obligation meeting to discuss 2024 project funding, please call Ben Syden at (518) 458-7112 or send an email to clientservices@labergegroup.com.

Grant Funding Toolbox Turning a Handout into a Handshake Creating Partnerships for Funding Success

Abstract: You are well aware that municipalities in New York State need funding to keep their water and sewer systems in good repair. Many are also aware that the state is not providing the funding needed to maintain these systems. This article discusses how municipalities can create partnerships with the state and other agencies to secure funding for their infrastructure needs.

Introduction: The state of New York is facing a significant infrastructure funding gap. This gap is the result of a combination of factors, including the state's budget constraints and the aging infrastructure that needs to be replaced. Municipalities are often left with the bill for these repairs, which can be a significant financial burden. This article explores how municipalities can work with the state and other agencies to secure funding for their infrastructure needs.

Dear Community Leader/Elected Official:

On July 31, 2023, Central Hudson Gas and Electric Corporation (Central Hudson) filed amendments to its electric and natural gas tariff schedules seeking approval from the New York State Public Service Commission (Commission) to increase its annual electric and natural gas delivery revenue to be effective July 1, 2024. Central Hudson serves the territories of Albany, Columbia, Dutchess, Greene, Orange, Putnam, Sullivan, and Ulster counties.

Central Hudson is proposing to increase its electric delivery revenue by approximately \$139.5 million (a 31.9 percent increase in base delivery revenues), and its natural gas delivery revenue by approximately \$41.5 million (a 29.2 percent increase in base delivery revenues). Central Hudson's filing proposes to provide energy efficiency incentives and services, invest in infrastructure modernization, and maintain energy affordability while ensuring the continuation of safe, reliable, and resilient electric and gas systems.

On September 12, and 20, 2023 the Commission will hold a series of virtual public statement hearings to seek input and comments from your community regarding the filed amendments. The enclosed announcement provides detailed information on how to participate in the public statement hearing along with how to submit comments regarding the amendments.

Information regarding the case, can be found at www.dps.ny.gov. From the homepage, click on "File Search" (located under the "Commission Files") heading and enter the associated case numbers (23-E-0418) and (23-G-0419) in the "Search by Case Number" field.

I would appreciate your assistance with informing your constituents about these public statement hearings and encouraging them to provide comments. It is the Commission's intent to facilitate and encourage active and meaningful participation throughout all its proceedings. We hope you will consider joining us.

CASE 23-E-0418 - Proceeding on Motion of the Commission as to the Rates, Charges, Rules and Regulations of Central Hudson Gas & Electric Corporation for Electric Service.

CASE 23-G-0419 - Proceeding on Motion of the Commission as to the Rates, Charges, Rules and Regulations of Central Hudson Gas & Electric Corporation for Gas Service.

NOTICE INVITING COMMENT AND
ANNOUNCING VIRTUAL PUBLIC STATEMENT HEARINGS

(Issued August 18, 2023)

PLEASE TAKE NOTICE that public comment is invited concerning proposed changes in the electric and gas delivery rates and practices of Central Hudson Gas & Electric Corporation (Central Hudson).

Central Hudson filed amendments to its electric and gas tariff schedules on July 31, 2023, proposing to increase its annual electric and gas delivery revenues effective July 1, 2024. Central Hudson proposes to increase its electric delivery revenues by approximately \$139.5 million (a 31.9 percent increase in base delivery revenues or a 16.4 percent increase in total revenues), and its natural gas delivery revenues by approximately \$41.5 million (a 29.2 percent increase in base delivery revenues or a 19 percent increase in total revenues). The actual bill impacts of these proposed changes on any particular customer class will vary based upon revenue allocation and rate design.

Central Hudson states that its rate filings include proposals to: ensure safe, reliable, and resilient electric and gas systems; provide energy efficiency incentives and services

in support of New York's Climate Leadership and Community Protection Act goals and targets; effectively respond to major storms and extreme weather events, invest in grid modernization to restore power more quickly, and timely recover storm costs; maintain affordability, mitigate customer bill impacts, and upgrade technologies to improve the customer experience; and support workforce growth.

For its electric business, Central Hudson states that major drivers of the rate increase are related to capital investments associated with replacing aging infrastructure; increased labor expenses; continued and enhanced low income, energy efficiency, and heat pump programs; increased capitalization and financing costs; and recovery of costs associated with major storms and extreme weather. For its gas business, Central Hudson states that rate increase are attributable to continued and enhanced low income and energy efficiency programs; increased capital investment to eliminate leak prone pipe; labor expense; and capitalization and financing costs.

Central Hudson's pre-filed testimony and exhibits in these proceedings may be reviewed online at the Department of Public Service website, www.dps.ny.gov, by clicking on "File Search" (located under the heading "Commission Files") and entering the case number (23-E-0418 or 23-G-0419) in the box labelled "Search by Case Number."

Under New York State law, the Public Service Commission (Commission) must consider a utility's rate proposal and may adopt or reject it, in whole or in part, or modify it. In doing so, the Commission will consider changes proposed by the participating parties and general public. Administrative Law Judges (ALJs) are presiding over the gathering of public comments and all evidence relating to the proposal. As

indicated in this Notice, public statement hearings will be held over two days to obtain comments from the public concerning Central Hudson's proposals.

Those wishing to comment on any aspect of these proceedings will have the opportunity to make a statement on the record at the virtual public statement hearings. **Any person wishing to provide a public statement must register in advance of the hearing.**

To register electronically: Participants who would like to provide a statement and will log in to a hearing electronically, must register to do so by clicking on <https://signin.webex.com/join> by **4:30 p.m. on the day before the hearing.** Registrants should enter the appropriate meeting number for the hearing, click "Register" underneath the enter the webinar password box, click "Register" in the box to the right, and provide all requested information.

When logging in to a hearing on the appropriate date and time of the hearing, participants should click on <https://signin.webex.com/join>, enter the appropriate meeting number for the hearing, and input the appropriate webinar password listed above. Participants will be asked to "select audio system." It is recommended that participants opt to have the system "call me" or "call using computer." The "call me" option will require participants to enter their phone numbers.

To register by phone: Any participant who is not able to log in to a hearing electronically may participate by phone. Call-in participants wishing to make a statement at a hearing must register to do so by **4:30 p.m. on the day before the hearing** by calling 1-800-342-3330, where they should follow prompts to the appropriate hearing and provide the following information: first name and last name, address, and phone number.

On the appropriate day and time of the hearing, all call-in users should dial 1-518-549-0500 and enter the relevant

access code and phone-in password listed above to join the hearing.

All participants will be muted upon entry into the hearing. The ALJs will call on each person who has registered to speak. The ALJs will continue the hearing until everyone wishing to speak has been heard or other reasonable arrangements have been made to include their comments in the record. Time limits may be set for each speaker as necessary to afford all attendees an opportunity to be heard. It is recommended that lengthy comments be submitted in writing and summarized for oral presentation. A verbatim transcript of the hearings will be made for inclusion in the record of these cases.

To listen to the hearings: Any person who would like to listen to the hearings but would not like to make a statement may access the hearings without registering. The hearings will be livestreamed on the internet and available for viewing on the Department of Public Service's YouTube channel on the dates and times listed above. To access the YouTube channel, visit the Department's website, www.dps.ny.gov, and click on the YouTube icon at the bottom of the homepage. In addition, any person without internet access may listen to the hearings by phone by calling **1-518-549-0500** and entering the applicable access code and phone-in password.

Persons with disabilities requiring special accommodations should call the Department of Public Service's Human Resources Management Office at 1-518-474-2520 as soon as possible. TDD users may request a sign language interpreter by placing a call through the New York Relay Service at 711. Individuals with difficulty understanding or reading English are encouraged to call the Department at 1-800-342-3377 for free language assistance services regarding this Notice.

Other Ways to Comment

For those who cannot attend or prefer not to speak at a public statement hearing, there are several other ways to provide your comments to the Commission. Comments should refer to "Case 23-E-0418 and Case 23-G-0419 - Central Hudson."

Although comments will be accepted throughout the pendency of these proceedings, they are requested by September 29, 2023.

Internet or Mail: Go to www.dps.ny.gov, click on "File Search" (located under the heading "Commission Files"), enter the case number (23-E-0418 or 23-G-0419) in the box labelled "Search by Case Number," and then click on "Post Comments" located at the top right of the page.

Alternatively, comments may be mailed to the Hon. Michelle L. Phillips, Secretary, Public Service Commission, Three Empire State Plaza, Albany, New York 12223-1350. All written comments will become part of the record considered by the Commission and may be accessed on the Department of Public Service website by searching the case numbers, as described above, and clicking on the "Public Comments" tab.

Toll-Free Opinion Line: Individuals may choose to submit comments by calling the Commission's Opinion Line at 1-800-335-2120. This number is set up to receive in-state calls 24-hours a day. These calls are not transcribed verbatim, but a summary is provided to the Commission.

NOTICE OF VIRTUAL PROCEDURAL AND TECHNICAL CONFERENCES

(Issued August 8, 2023)

PLEASE TAKE NOTICE that a virtual procedural conference, followed by a technical conference, will be held before Administrative Law Judges James A. Costello and Ashley Moreno on Tuesday, August 29, 2023, by Webex. The procedural conference will begin at 10:00 a.m. and will be followed immediately by the technical conference. These conferences concern the electric and gas rate requests filed by Central Hudson Gas & Electric Corporation (Central Hudson) on July 31, 2023.

The principal purposes of the procedural conference are to identify the parties and major issues, discuss a schedule for the proceedings, address issues related to the service of documents and discovery, and to address any other pertinent procedural issues.

The technical conference will be presented by Central Hudson's technical experts and will consist of an overview of the electric and gas rate case filings. The presentation by Central Hudson will include time for the parties to ask questions so that they may become better informed as to the scope and nature of the rate filings.

CASES 23-E-0418 and 23-G-0419

To access the procedural and technical conferences:

Electronically: Visit www.webex.com and click "Join" at the upper right corner of the screen and enter the following information:

Resolution No. 260-23

Resolution In Opposition To New York State Senate Bill S139B & New York State Assembly Bill A1358B An Act To Amend The Uniform Justice Court Act, The Town Law And The Village Law, In Relation To Requiring Certain Town And Village Justices Be Admitted To Practice Law In The State

WHEREAS, New York Senate Bill number S139B has been passed which, if adopted by the NYS Assembly (A1358B) and signed by the Governor, would require all Judges presiding in the 100 largest Town and Village Courts to be licensed to practice law in the State and to have been admitted to the New York State Bar Association for at least five years; and

WHEREAS, the Town and Village Courts in Greene County are among the nearly 1,200 Justice Courts in the State of New York that collectively handle close to 1 million cases each year; and

WHEREAS, the Town and Village Courts are known as the "Courts Closest to the People" and have broad jurisdiction, presiding over civil and criminal matters, thereby performing a vital role in the New York State Unified Court System; and

WHEREAS, the Town Court of Catskill is a vital service to our residents and the Greene County community as a whole; and

WHEREAS, the Justices in Greene County's Town and Village Courts have pledged to be ever mindful of their neutrality and impartiality, and render equal justice to all, while continually adhering to judicial rules of ethics and pronouncements of the New York State Commission on Judicial Conduct; and

WHEREAS, the Justices are required to be on-call 24 hours a day, 365 days a year to review and sign arrest and search warrants, perform arraignments, and issue orders of protection; and

WHEREAS, the Justices of Town and Village Courts ensure that the rights afforded to defendants by the Constitutions of the United States and the State of New York are provided and protected; and

WHEREAS, the Justices of the Town and Village Courts preside over trials involving misdemeanor and violation level offenses, thereby ensuring that all defendants, witnesses, and victims of those offenses may be heard; and

WHEREAS, the Town and Village Courts provide a venue for citizens to pursue a low-cost and efficient procedure for individuals to resolve civil disputes and landlord/tenant matters; and

WHEREAS, the Justices also preside nightly and on weekends and holidays, ensuring that arrested citizens are promptly afforded legal representation, the opportunity to plead to alleged charges, and to be considered for release, bail, or incarceration; and

WHEREAS, the Justices continually strive to improve the administration of justice through participation in mandatory education programs, seminars, meetings of the Greene County Magistrates Association and the New York State Magistrates Association; and

WHEREAS, the New York State Office of Court Administration must certify all Justices as having successfully completed mandatory training both following election and in each subsequent year; and

WHEREAS, the New York State Commission on Judicial Conduct’s most recent annual report (2023) identifies that only 13% of the complaints filed against the judiciary were against Town and Village judges while the remaining complaints were against either “State-paid” judges (constituting approximately 40% of the judiciary) who accounted for approximately 67% of the complaints received, or against non-judicial entities (20%); and

WHEREAS, this Bill attempts to usurp the right of voters to elect those in their communities that they believe to be fair and impartial, and who would best serve that community, whether they be attorneys or non-attorneys; and

WHEREAS, this Bill implicitly suggests that members of the community are incapable of making informed decisions about who should sit in judgment of matters from the straightforward to the highly complex as may arise in their local courts; and

WHEREAS, at this time, Greene County is facing a shortage of attorneys and those currently in practice are reportedly overburdened;

NOW, THEREFORE, BE IT RESOLVED, that the Greene County Legislature, in unequivocal terms, calls on both the leadership in the New York State Senate and Assembly, and the Governor to reject this poorly conceived and hastily fashioned seizure of voters’ rights to determine, for themselves, who they would choose to sit as their judges as has been the case for almost two hundred years; and be it

FURTHER RESOLVED, that the Clerk of the Legislature shall forward copies of this Resolution to New York State Governor Kathy Hochul, Senator Michelle Hinchey, Assemblyman Christopher Tague, the New York State Association of Counties, all Greene County Town and Village Clerks, and all others deemed necessary and proper.
